"What now shall be the republican course? Simply this; that it must live up to what are its real principles. The McKinley bill must not stand unchanged. t must be modified in almost its every feature. A national caucus of the party has been held and its leaders must obey the dictates of that caucus. There is no occasion for delay until the demo-cratic congress has assembled and the republican senate given assent to the changes required. ANTIMIGRAINE.

NEVER FAILING CURE FOR HEADACHE.

TRADE MARK REGISTERED.

ABSOLUTELY SAFE, PERFECTLY SURE AND ALWAYS SPEEDY.

Cures Every Variety of Headache AND NOTHING ELSE.

Has earned for itself ANTIMIGRAINE the enviable reputation of being the finest, most effective and reliable article in the market for the speedy relief and cure of every variety of that common trouble, HEADACHE. The mmense favor which has greeted it from all quarters, proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it, will never e without.

For its curative powers it does not depend upon the subtle influences of such poisonous drugs as ANTIPYRINE, MORPHINE,

CHLORAL AND COCAINE, Since it does not contain an atom of either of these. It is absolutely free from injurious chemicals, and can be taken by young and old without fear or serious esults. It is n a Cathartic, does not disarrange the stomach, and contains to noxious or sickening ingredients.

The peculiar advantages of Antimigraine consist in its being thoroughly eliable as a cure for any kind of headsche-without respect to cause-leaving no unpleasant or annoying after-effects, as in the case of other so-called "harmiess" remedies. These qualities make it the most popular and saleable article in the market, wherever known.

DIRECTIONS FOR USB. The dose for an adult is two teaspoonful n a wine glass of water. Dose for children in proportion, according to age. In either ase the dose can be repeated every thirty ninues until a cure is effected. One dose will always drive away an attack of Headacae if taken when first feeling the premonitor; symptoms; but if the attack is well on, and uffering is intense, the second or third dose may be required. Usually a greater number of doses is required to effect the first cure than is needed for any succeeding time thereafter, showing that the medicine is accumu ative in its effects, tending toward an event
